

MEMBER BENEFIT!

Earn cash back on all of your food purchases

From tomatoes to tablecloths, Dining Alliance can put money back in your bank account for every day type purchases that you make for your business.

WRA has partnered with Dining Alliance, the nation's largest Group Purchasing Organization, which means you have access to rebates on over 165,000 items from 350+ big manufacturers.

- ✓ No fees ever. ✓ Don't change who you purchase from.
- ✓ Opt out at any time with no penalty. (But you won't want to once you start seeing the rebates!)

Real Example:

A WRA member in the Milwaukee area that has two locations received a rebate check for \$1,226 for one quarter of purchases for her restaurants.

This owner is actually making money by being a member of WRA and participating in the Dining Alliance program!

And it only takes about 10 minutes to sign up.
